

COMPOSITE

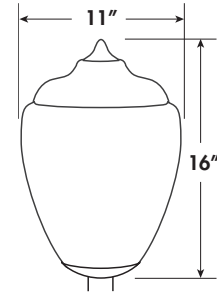

Edmonton Series 824

DESCRIPTION

This classic vintage acorn designed post top lights is one of the most recognizable street lamps in use today. This classic design is molded from Clear (UV polycarbonate or acrylic) or White (acrylic) with a diffusing pattern designed in the surface to minimize glare from LEDs. The Edmonton 824 features a non-corrosive black or white fitter. The 824 series is a perfect fit for LED upgrades and VE projects.
